“Nothing is impossible, the word itself says 'I'm possible'!

Director's Message

Reliable Academy is committed for providing the best qualified Faculties who are industry expert & full of devotion to guide and assist aspirants to achieve their goal of passing the desired competitive exams with flying colors.

“Student must be Guided on HOW to think.., NOT WHAT to think..”

In today's modern era, the competition in Govt. competitive exams like UPSC, MPSC, BANK/SSC is increasing day by day. Only those aspirants, who are well aware about the exam and have mastered the planned techniques & structured approach can achieve their goals easily. Through these competitive examinations, the intelligence and comprehensibility of the student is examined in all the desire aspects & how he/she can handle the complex situation in their future career is scrutinized.

As the saying goes "Well Beginning is Half Done", it is very important to come over the initial hiccups and misconceptions at the right time. Understanding the exam pattern and appropriate learning method will help an aspirant to move in the right direction. Right learning, enough practice and unwavering dedication towards the preparation of competitive examination is MUST.

About Reliable Academy

Year of Establishment : 2014

Reliable Academy is the most popular institute in Maharashtra Specially in and around Delhi, Mumbai, Pune, Thane & Kalyan region. We are leading Training Institute for Various Govt. Competitive Exam Preparations Viz., UPSC, MPSC, Bank, SSC, Railway, Insurance and various other competitive exams from State level to National level in INDIA.

We aim to develop competitive attitude and winning spirit among our students. Providing sound academic base with quality teaching and individual attention from experienced faculties in structured pattern is our hallmark.

Today we are well established and leading institute which is continuously guiding the students to achieve their goals. Our Faculties have created comprehensive Study Material which facilitate students to study the well define Course Content in easy way to score good marks. Our renowned faculties are the best in class and have yielded great results. We have strong desire to provide the comprehensive education through experienced faculties and proper guidance to students in a skillful manner to ensure their success.

We focus on building a strong foundation of knowledge and core competence for students success. We provide an excellent Classroom teaching at our centers and also through online platform like mobile app, website and via our latest V-SAT E-Learning Program. The best academic support and personal attention which we provide to the students helps them to meet their career goals and objectives. Our highly qualified and most experienced faculties are dedicated and committed to student's overall progress and success. We help you with a complete structured program to prepare you for the competitive exams and pass out with the best rank compared to others.

Our Certifications

Vision - Mission

Mission

Our mission is to ensure all our students achieve their dreams of successfully clearing their desired competitive exams and secure Govt./Public Sector posting.

Vision

To help our students with an up-to-date structured program, experienced faculties practical approach & personal guidance to get selected at Central & State Govt./Public Sector in their first attempt itself.

Goal

To achieve maximum students passing every year among different competitive exams like UPSC, MPSC, Bank, SSC and various other Central & State Govt. Sectors

- ⇒ 1. Always study sitting on chair table, do not read at all while lying on the bed .if you lie on your bed while studying you may get into lazy mode, eventually making you feel sleepy.
- ⇒ 2. Do not play television while reading and also keep radio or songs off. In the course of studies, switch mobile phone off or keep it on silent mode.
- ⇒ 3. Do write the text what you read, this will also keep you concentrated on reading and also make notes for the future.
- ⇒ 4. Must read any text at least three times. Avoid the tendency to write whatever you read, note the important points. You should brainstorm (revise).
- ⇒ 5. Make short notes so that they work during the exam. Discuss the readings with your friends, group discussion is beneficial in studies.
- ⇒ 6. Sort the important topics based on the old question papers and prepare them well. Follow our Reliable Academy action plan.
- ⇒ 7. Eat a balanced diet because overeating leads to sleepiness and laziness, while eating less food does not make you mind sharper. It can lead to some problems like tiredness, headache etc.
- ⇒ 8. Read with the help of pictures, maps, graphs, sketches etc. They are easy to remember for a longer period.
- ⇒ 9. You can take help of computer or internet in studies, but with some specific time.

Note: Following & implementing the above rules will benefit study and help achieving success with in the time frame.
